

CERTIFIED PARTNER REGISTRATION

How to register as Certified Partner in www.pcvuesolutions.com

Dear partner,

The Certified Partner program to which you adhere allows our two companies to maintain a privileged relationship. This includes, among other things, privileged access services such as:

- o All new versions are delivered free of charge.
- o Priority access to our hotline.
- o Full support of current versions of PcVue products
- o Participation in product Beta testing.
- o Access to the [PcVue Help Center](#) (program examples, tips and tricks, tutorials etc.).

In addition, to give you the benefit of better visibility as a partner, **we offer you the opportunity to publish your company's contact details** on the PcVue Partners area of our website.

You are invited to complete and update your company details directly via this link:

Want to get your PcVue application featured and showcase your skills as well?

We offer you the opportunity to present your PcVue project and its singularity to our community.

Submit it and create your own Success Story with us, we will share it with the PcVue following. Our Marketing and Communication team will also assist you in the content creation.

If you are interested, [get in touch with us!](#)

We thank you for your collaboration and remain at your service.

The PcVue team – www.pcvue.com
